<sup>1</sup> Represents weighted average of nine campuses. Miscellaneous fees for 2007-08 have not yet been determined. Beginning Fall 2001, undergraduate students must show proof of health insurance or purchase a campus undergraduate health insurance plan. The average cost of health insurance in 2006-07 for undergraduates is \$810.

<sup>2</sup> Some degree programs charge different fee levels to reflect individual program needs. The range of fee levels is shown for those programs.

<sup>3</sup> There were no increases in professional degree fees for 2006-07. However, fee levels include increases approved for 2005-06 but deferred to 2006-07.

<sup>4</sup> In July 2005, the Regents approved a schedule of temporary increases in mandatory systemwide fees to cover income losses associated with a student fee lawsuit. A temporary fee of \$700 for professional school students only was implemented in 2005-06 and increased to \$1,050 for 2006-07. For 2007-08, the temporary fee for professional school students is eliminated and replaced by a \$60 temporary surcharge for all UC students. The fees for 2007-08 include the \$60 temporary surcharge.
